Emmy AWARD WINNER

PROFESSIONAL PROFILE

Creative Director and Animation Director with **15+ years** of experience in the audiovisual industry. Specialized in animated series for streaming platforms, high-end branded content, and AI-powered production. I combine narrative vision with deep mastery of real-time pipelines (Unreal Engine) and generative AI tools, leading international teams from concept through final delivery.

Art Director and co-director on **Dinopops** (NBC/Peacock). Cinematic Artist on **Silent Hill: Ascension** — Emmy winner for Outstanding Innovation in Emerging Media Programming (Genvid / Senscape / Konami).

EMMY AWARD — 2024

Outstanding Innovation in Emerging Media Programming — Silent Hill: Ascension (Genvid / Senscape / Konami). 300+ episodes, 10+ hours of interactive animated content.
